CARNIVAL DANGER SHOW

(15-60 Minute Set)

The **Classic Sideshow**, or freak show, was made up of individuals with strange and fantastical talents such as walking across a bed of broken glass or hammering pointed objects into one's face. Hendrix performs acts from the old Side Show with an elegant and a sexy edge. It's all at once **fascinating, frightening** and gross. Essential to any carnival, burlesque or circus themed show.

HULA HOOP OF DEATH SHOW

A comedy act with a sexy flair. Our dashing young lady performs a variety of stunts with a **bladed hula hoop**, popping balloons held by members of the audience and avoiding injury all the while. An adorable and entertaining act.

GRINDER GIRL SHOW

(5-10 Minute Set)

The notorious **Angle Grinder**, brings power tools dangerously close to vital parts, Carisa Hendrix shoots waves of sparks from metal belt buckles and chest plates risking life and certainly limb in a beautiful dramatic display. If it sounds unbelievable, it's because it is.

STILT WALKING (CIRCUS / THEMED ATTIRE)

Perfect for adding **atmosphere to your event**, stilt walkers and roving characters can wander amongst the crowds and interact with party goers. Her stilts offer something a little different, using fiber-glass leaf springs allows the performer to bounce and jump. Wonderful to watch.

BALLOON SCULPTING

It's not just the ballon, it's the experience of seeing it come to life. Hendrix sees each **special ballon creation** as a small performance with a gift at the end. Having taught children professionally for years her brings that experience to her playful interactions.
